The Human Resources Manager
Primly Premium Solutions Limited
Abuja, Nigeria

Dear Hiring Manager,

APPLICATION FOR THE POSITION OF SOFTWARE DEVELOPER

I am writing to apply for the position of Software Developer at Primly Premium Solutions Limited, which I saw advertised on Omadaily. Primly Premium Solutions Limited is a respected name in technology, and I would welcome the chance to grow my career with your team.

I hold a B.Sc. Computer Science from University of Ibadan, and I have 5 years of experience, most recently as a Software Developer at Northgate Allied Ltd. In this role I build features for a fintech app used by 500,000 customers, and I cut page load time by 50% by improving the code and caching.

I enjoy solving problems with technology, learn new tools quickly, and would like to help Primly Premium Solutions Limited keep building products that people rely on every day. I am also skilled in javaScript and TypeScript, react and Node.js and python and Django.

I have attached my CV for your review. I would be glad to attend an interview at your convenience to discuss how I can contribute to Primly Premium Solutions Limited. Thank you for your time and consideration.

Yours faithfully,
