The Human Resources Manager
Engineering Automation Technology Limited (EATL)
Eket, Akwa Ibom State, Nigeria

Dear Hiring Manager,

APPLICATION FOR THE POSITION OF HEALTH SAFETY AND ENVIRONMENT OFFICER

I am writing to apply for the position of Health Safety and Environment Officer at Engineering Automation Technology Limited (EATL), which I saw advertised on Omadaily. Engineering Automation Technology Limited (EATL) is a respected name in oil & Gas, and I would welcome the chance to grow my career with your team.

I hold a B.Sc. Environmental Science from University of Lagos, and I have 6 years of experience, most recently as a Health Safety and Environment Officer at Greenfield Consolidated Ltd. In this role I run HSE on a site with 300 workers and contractors, and I reached 1 million work hours without a lost-time injury.

I value the safety-first culture of the energy sector, and I am ready to work to the high technical and HSE standards that Engineering Automation Technology Limited (EATL) is known for. I am also skilled in risk assessment, incident investigation and permit to work.

I have attached my CV for your review. I would be glad to attend an interview at your convenience to discuss how I can contribute to Engineering Automation Technology Limited (EATL). Thank you for your time and consideration.

Yours faithfully,
