The Human Resources Manager
Flex Films
Head Office, Lagos

Dear Hiring Manager,

APPLICATION FOR THE POSITION OF QUALITY CONTROL OFFICER

I am writing to apply for the position of Quality Control Officer at Flex Films, which I saw advertised on Omadaily. Flex Films is a respected name in manufacturing, and I would welcome the chance to grow my career with your team.

I hold a B.Sc. Microbiology from Obafemi Awolowo University, Ile-Ife, and I have 5 years of experience, most recently as a Quality Control Officer at Bluerock Enterprises Ltd. In this role I test raw materials and finished goods against specifications, and I cut customer complaints by 40% through better line checks.

I admire the scale and quality of the products Flex Films makes, and I work well in disciplined teams with clear targets, standards and deadlines. I am also skilled in quality testing, GMP and HACCP and ISO 9001.

I have attached my CV for your review. I would be glad to attend an interview at your convenience to discuss how I can contribute to Flex Films. Thank you for your time and consideration.

Yours faithfully,
