The Human Resources Manager
Genesis Group
Port Harcourt, Rivers State, Nigeria

Dear Hiring Manager,

APPLICATION FOR THE POSITION OF QUALITY CONTROL OFFICER

I am writing to apply for the position of Quality Control Officer at Genesis Group, which I saw advertised on Omadaily. Genesis Group is a respected name in food & Beverages, and I would welcome the chance to grow my career with your team.

I hold a B.Sc. Microbiology from Ahmadu Bello University, Zaria, and I have 5 years of experience, most recently as a Quality Control Officer at Kanem Resources Ltd. In this role I test raw materials and finished goods against specifications, and I cut customer complaints by 40% through better line checks.

I admire the scale and quality of the products Genesis Group makes, and I work well in disciplined teams with clear targets, standards and deadlines. I am also skilled in quality testing, GMP and HACCP and ISO 9001.

I have attached my CV for your review. I would be glad to attend an interview at your convenience to discuss how I can contribute to Genesis Group. Thank you for your time and consideration.

Yours faithfully,
