Dear Hiring Manager,

APPLICATION FOR THE POSITION OF CIVIL ENGINEER

I am writing to apply for the position of Civil Engineer at PMSEC International, which I saw advertised on Omadaily. PMSEC International is a respected name in construction & Real Estate, and I would welcome the chance to grow my career with your team.

I hold a B.Eng. Civil Engineering from Lagos State University, and I have 6 years of experience, most recently as a Civil Engineer at Crownbridge Nigeria Ltd. In this role I supervise road and drainage projects worth N3 billion, and I check contractors' work against drawings and specifications.

I am drawn to the projects PMSEC International delivers, and I bring attention to detail, respect for safety and the discipline to finish work on time. I am also skilled in structural design, site supervision and autoCAD and Civil 3D.

I have attached my CV for your review. I would be glad to attend an interview at your convenience to discuss how I can contribute to PMSEC International. Thank you for your time and consideration.

Yours faithfully,
