Dear Hiring Manager,

APPLICATION FOR THE POSITION OF CIVIL ENGINEER

I am writing to apply for the position of Civil Engineer at Polaris Integrated & Geosolutions Limited, which I saw advertised on Omadaily. Polaris Integrated & Geosolutions Limited is a respected name in engineering, and I would welcome the chance to grow my career with your team.

I hold a B.Eng. Civil Engineering from Ahmadu Bello University, Zaria, and I have 6 years of experience, most recently as a Civil Engineer at Palmview Holdings Ltd. In this role I supervise road and drainage projects worth N3 billion, and I check contractors' work against drawings and specifications.

I am drawn to the projects Polaris Integrated & Geosolutions Limited delivers, and I bring attention to detail, respect for safety and the discipline to finish work on time. I am also skilled in structural design, site supervision and autoCAD and Civil 3D.

I have attached my CV for your review. I would be glad to attend an interview at your convenience to discuss how I can contribute to Polaris Integrated & Geosolutions Limited. Thank you for your time and consideration.

Yours faithfully,
