The Human Resources Manager
Soft Solutions Limited
Gbagada, Lagos

Dear Hiring Manager,

APPLICATION FOR THE POSITION OF SOFTWARE DEVELOPER

I am writing to apply for the position of Software Developer at Soft Solutions Limited, which I saw advertised on Omadaily. Soft Solutions Limited is a respected name in technology, and I would welcome the chance to grow my career with your team.

I hold a B.Sc. Computer Science from University of Port Harcourt, and I have 5 years of experience, most recently as a Software Developer at Crownbridge Nigeria Ltd. In this role I build features for a fintech app used by 500,000 customers, and I cut page load time by 50% by improving the code and caching.

I enjoy solving problems with technology, learn new tools quickly, and would like to help Soft Solutions Limited keep building products that people rely on every day. I am also skilled in javaScript and TypeScript, react and Node.js and python and Django.

I have attached my CV for your review. I would be glad to attend an interview at your convenience to discuss how I can contribute to Soft Solutions Limited. Thank you for your time and consideration.

Yours faithfully,
