The Human Resources Manager
SPIE Oil & Gas Services
Head Office, Lagos

Dear Hiring Manager,

APPLICATION FOR THE POSITION OF HEALTH SAFETY AND ENVIRONMENT OFFICER

I am writing to apply for the position of Health Safety and Environment Officer at SPIE Oil & Gas Services, which I saw advertised on Omadaily. SPIE Oil & Gas Services is a respected name in oil & Gas, and I would welcome the chance to grow my career with your team.

I hold a B.Sc. Environmental Science from University of Benin, and I have 6 years of experience, most recently as a Health Safety and Environment Officer at Harbourpoint Nigeria Ltd. In this role I run HSE on a site with 300 workers and contractors, and I reached 1 million work hours without a lost-time injury.

I value the safety-first culture of the energy sector, and I am ready to work to the high technical and HSE standards that SPIE Oil & Gas Services is known for. I am also skilled in risk assessment, incident investigation and permit to work.

I have attached my CV for your review. I would be glad to attend an interview at your convenience to discuss how I can contribute to SPIE Oil & Gas Services. Thank you for your time and consideration.

Yours faithfully,
